

Hallowe'en Spirits Prepare For Party In Memorial Arena

The Newmarket town council departed from its usual procedure Monday night to go into a huddle over plans for its part in the Hallowe'en program at the Memorial Arena. After considerable deliberation, a leading lady was named although there is sufficient dress material for "her" girth.

In line with the council's action, other groups in Newmarket have been arranging their contributions to the program. There are rumors of goblins at St. John's school while the Air Cadets have taken on an Irish accent with a piece entitled "O'Grady Says."

The Lions club has assembled a "name" band, "The Sensations of 1946," which is so far ahead of its competition that it is dated a year in advance. The firemen will display their manly prowess in a hairbreadth rescue, right on the stage. The Victory Caravan will be shown and music will be provided by the Citizens' Band. The Brownies, Boy Scouts, Girl Guides, and Cubs will all be present.

An old time orchestra will provide music for dancing. Interviews with the various participants in the program have the same note of preparation. Alex. Eves, the song leader, was interviewed while gargling. When approached, Mr. Eves said "glug, glug," in tones of enthusiasm. James Walker, on behalf of the Lions club, says that the Lions number is "super-duper." Bert Budd injects a cautious note when he says, "Watch out for the Indians," while Mayor Dales notes with some surprise that there is a woman on the council. The high school is preparing a secret weapon of some sort. The students, when approached, would only say "very hush, hush." Ken Howard is tuning up out in the tall corn.

The Hallowe'en program is a community project to which all have been invited. It represents an effort on behalf of town organizations to provide a Hallowe'en program in which everyone, young and old, can participate.

To Widen Main St. When Light Poles Removed

"What has been done about widening Main St.," asked Councillor George Byers at the council meeting Monday night.

"I will answer Mr. Byers," said Councillor Frank Bowser, chairman of the roads and bridges committee. "Permission has been secured to place light and wire brackets on the front of some Main St. buildings south of the post office and on the west side of Main St."

"As soon as the brackets can be secured and the poles removed, my men will take away the curbing," he said.

Mr. Byers asked the same question at the previous council meeting and was told by Mr. Bowser that he was willing to start work as soon as the poles were removed. The removal of the poles is in the province of Deputy-Reeve Arthur D. Evans, chairman of the water and light committee.

Mr. Evans stated at that time that his men would remove the poles as soon as the pressure of present work had eased.

Between the two council meetings nothing has been done to remove poles or to install the light brackets. Mr. Evans was not present at the last meeting of the council.

"Several tricky bits of sidewalk have been repaired," stated Mayor Dr. L. W. Dales. "Mr. Bowser is to be congratulated at having this work done."

Extend Queen St. In Direct Line, Frank Bowser Urges

Councillor Frank Bowser, chairman of the roads and bridges committee, reported that he had run into difficulty as far as sewers for Wesley and Pleasantview Aves. were concerned, and foresaw difficulties in making sewer connections with the new factory being built on Huron St. by Ross Howlett and Aubrey Seythes.

Speaking at the council meeting Monday night, Mr. Bowser pointed out that there was considerable difficulty to laying sewers along Pleasantview and adjoining streets and suggested that the continuation of Queen St., east of Prospect Ave., be straightened to make a square corner with Wesley and Pleasantview Aves. instead of following its present winding course.

Mr. Bowser said that it wasn't possible to connect the sewers from the new factory with the present sewer arrangement on Huron St. He said he had not yet received the engineer's report but that he anticipated the need for new installations.

DISCUSS CITIZENSHIP

The regular meeting of the Women's Institute was held at the home of Mrs. H. Molyneux on Thursday, Oct. 18. Citizenship was the topic for discussion and a splendid paper was given by Mrs. Allan Mills. Final plans were made for the fair to be held Nov. 9 and the meeting was brought to a close by a social half-hour.

BASKETS ON DISPLAY

The Women's Institute's market basket "Victorious" is on display in Smith's Hardware Store window. Get yourself a ticket while they last, 10 cents or 3 for 25 cents. Adv.

Whereas . . .

To all children: Whereas Wednesday, Oct. 31, was declared Hallowe'en many years ago, and whereas the citizens of the town of Newmarket have assembled great talent to celebrate this anniversary occasion and whereas much candy, popcorn, and oranges have been purchased for free distribution, and whereas all are requested to come in masquerade costume if possible since prizes of great value will be distributed for same, and whereas all this is absolutely free, I hereby request all children to assemble at the Newmarket Memorial Arena at 7 p.m., and to bring their mothers, sisters, brothers, neighbors, aunts, uncles and neighbors' neighbors.

GIVE AWARDS TO P.S. FIELD DAY WINNERS

Miss Evelyn Denne, principal of Stuart Scott school, presented Jan Dick and Marian Dales, junior field day champions, with their prizes at the Home and School Association meeting Tuesday night in Stuart Scott school. The president, Mrs. M. B. Seldon, was in the chair.

Principal Fred Hall of Alexander Muir school presented the intermediate champions, Dawn Gilman and Joan Widdifield (tied), and Franklin Morton and Billy Mair (tied) with their prizes, and on behalf of Principal H. A. Jackson, presented senior champions, Don Buzzard and Bob Rose (tied), and Jean Stanley, with their awards.

Cups for all-round athletes, donated by Frank Bowser and Dr. Lowell Hewitt, were presented to Joan Widdifield and Bob Rose. Mrs. H. E. Gilroy was presented with her past president's pin by Mrs. Boynton.

The topic for the evening was civics with members of the association describing the various legislative bodies. Mrs. Wheland told of the duties of the houses of parliament, Mrs. A. D. Evans described the work done in county council, Mrs. N. L. Mathews told of the town council and made a strong plea for more interest in the candidates for elections. Mrs. J. C. R. Edwards described the work done by the school boards and urged that every effort be made to have on the boards members interested in improving educational opportunities.

RESUMES SCHOOLING

Sub-Lieut. Davis Edwards, son of Dr. and Mrs. J. C. R. Edwards, has returned to Newmarket after two years service with the R.C.N. V.R. He joined the navy in February, 1943, and trained in Toronto, London and Cornwallis. In 1941, he was promoted to the rank of sub-lieutenant and received further training at Halifax. He served aboard minesweepers until September, 1945, when he was discharged.

He has returned to Newmarket high school to complete his upper school education. On his return to high school, he was elected president of the Literary Society. Photo by Budd.

SAYS GOODBYE

Pte. Doris James, C.W.A.C., Toronto, niece of Deputy-Reeve and Mrs. Arthur D. Evans, whose home is in Cumberland, Vancouver Island, B.C., and who has been a constant visitor at the home of her aunt on Millard Ave., said goodbye to her many Newmarket friends this week before leaving for her new post at Nanaimo, B.C.

NAMED TO 'Y' POST

MEET TONIGHT

The Newmarket Veterans' Association are meeting tonight in the Citizen-Soldier club at 8 p.m. President Bert Ward has asked all veterans to attend because of the urgency of the business to be discussed at the meeting.

50 Years Ago

(From Era and Express Files, Oct. 25, 1895)

It is a lamentable fact that Main St. is too narrow for the growing business of Newmarket. Let us make a suggestion. Let every property owner on both sides of the street from Park Ave. to Ontario St. give four feet of ground to the town, the corporation to bear all expense of moving fences, etc., and making necessary alterations to buildings. It could be done now at a comparatively small cost and the change made in the plan of the town now being prepared. If not done now it will be a source of regret as long as the town exists.

When the fire cleaned out the block from Botsford St. to Smith's Store there was a proposition to widen the street but it was not acted upon at the time and the effect is apparent. There is no reasonable hope of doing it now. We hope that the council will see what can be done in this matter and consider what the probable cost would be.

The people who laid out Newmarket had very little hope of its future importance as there is not a street in town suitable for an electric railway. All other blocks in town, where streets could be widened without moving buildings, might follow suit. Nothing would give the town such a boom for the outlay and the property would be enhanced in value by the change.

Home Plowing Competition Scheduled For This Week

The York County Junior Farmers' Association is again sponsoring a home plowing competition for the young folks of the county with a special class for the girls. The plowing must be done this week so the work can be scored early next week. In the walking plow classes, two acres must be plowed on the home farm or where the junior is working or within a mile of this farm if suitable land is not available at home. Boys under 16 need only plow 1 1/2 acres and in the tractor classes 3 acres are required.

This was the first contest of its kind when organized in 1922 to encourage boys to plow with their own teams without spectators and it has developed several champion plowmen. Prizes are being offered again including a silver tea service by the family of the late A. J. H. Eckardt in his memory and cash prizes by J. A. Greene, of Richmond Hill, for the four youngest plowmen.

As judging commences on Oct. 29, entries should be sent in to the agricultural representative, W. M. Cockburn, Newmarket, by Friday of this week, Oct. 26. A banquet for contestants and their friends will be held on Nov. 2 at Vellore when the prizes will be presented.

DR. J. GORDON COCK HERE IN DECEMBER

Dr. J. Gordon Cock will resume his practice in Newmarket at the beginning of December. He will live in Dr. C. C. Richardson's residence at 25 Botsford St. instead of his former residence on Main St.

Dr. Cock is at present taking refresher courses in Hamilton General Hospital in paediatrics, obstetrics and gynaecology.

CAMP CLOSING RUMOR FALSE, C.O. DECLARES

Scotching rumors that the Newmarket military camp was closing in a short time, Lieut.-Col. Newton M. Young, commanding officer of the camp, stated that the camp is scheduled to become a "holding centre" for men without sufficient points to be discharged, as well as a training centre for "interim army" men.

"The camp will continue in that capacity for at least six months," Col. Young declared. "There is a possibility that it will continue for a year." "Interim army" men are those who have signed up for two years or who have signed for the permanent force.

Friday night, the camp celebrated its fifth birthday with a gathering of 125 of the original camp personnel. The original commanding officer, Col. R. B. Harkness, D.S.O., was present, as were Maj. Gen. A. E. Potts, commanding officer of military district two, Maj. H. B. Geary, V.C., Maj. M. Collier, and Capt. W. J. Lock.

Reports from the camp state that the main difficulty of the evening was getting the "originals" to the banquet hall where Sgt. Tom Dudley had prepared dinner. The visitors had wandered all over the camp renewing old acquaintances.

Sgt. William Andrews was there with his son, Bruce, recently returned from overseas. Out of the army for some time, Sgt. Andrews used to lead the citizens' bugle band when it greeted the trainees as they entered Newmarket. Bandmaster Robert Moore, whose band led the troops through Newmarket streets, was also present.

Lieut. Col. C. R. Boulding, now at London military hospital, was present as were Sgt. Major Sheppard, C.Q.M.S. A. Waldon and C.Q.M.S. Kellett.

SAYS 9TH LOAN INVESTMENT IN RETURNED MEN

"When you buy a bond, you are investing in the men who fought for you," declared Capt. Allan D. Piper at the Newmarket Lions Club Monday night. A veteran of this war, in which he lost both hands, Capt. Piper said that the money raised in the Ninth Victory Loan was being used to prepare veterans for their return to civil life.

"Our rehabilitation plan is one of the best. Any man who has served a reasonable length of time is able to go into business for himself, or build a home with his gratuities. He can resume his education or learn a trade. When you buy bonds, you are investing money in the future of these men, and it is a good investment."

Present at the meeting were officers of the military camp, led by their commanding officer, Lieut.-Col. Newton M. Young. Col. Young expressed the appreciation of the camp generally for the work done by the Lions club on its behalf.

Guests at the meeting were Dr. J. B. Westcott, H. L. Trapp, C. A. Cathers, L. R. Bell, Rev. Henry Cotton, Sgt. Wallace, Rev. G. A. Stone, and L. S. Mount.

H. J. Luck reported that two and a half tons of clothing had been shipped from Newmarket in the National Clothing Drive and that a large quantity remained to be sent.

FAITH, TOLERANCE SAID NEED IN INDUSTRY

Speaking on trends in labor legislation and labor contracts in the third of a series of gatherings sponsored by the Toronto Local Council of Women last week, Miss Beatrice E. Lyons, Newmarket, declared that employers must cease their hostility to unions and unions must assume more responsibility.

"The more each side endeavors to see the point of view of the other, and the more good faith each shows in its relationships with the other, the sooner we will have industrial peace and better living conditions for all," she said. "Blame for the present industrial unrest cannot be placed on either side exclusively but must be shared by both."

MISSIONARY SPEAKS

Rev. Jack Brotherton of the Sudan United mission will tell of his work in Africa tonight at the Gospel Tabernacle. He will illustrate his address with lantern slides. Rev. Brotherton expects to return to his mission field by plane next month. The meeting opens at 8 p.m.

Town Grants \$500 To W.I. To Maintain Public Rest Room

A grant of \$500 to the upkeep of a women's and children's washroom was included in a resolution moved by Councillor Frank Bowser and seconded by Councillor George Byers giving Mr. Byers authority to go ahead with the repairs to the interior of the room behind the nurse's office on Botsford St. where the washroom will be situated.

The grant is the town's contribution to the upkeep of a supervised rest room. The remainder of the expense will be carried by the Newmarket Women's Institute which raised the initial funds for the project through the presentation of an ice follied at the Memorial Arena last winter, Mr. Byers said.

"I met the members of the Women's Institute," Mr. Byers stated. "The Institute was prepared to budget for \$200 to \$250 a year for the maintenance of the rest room. Since the yearly cost of the supervision and supplies for the rest room will run about \$700 to \$750, the town has been asked to grant \$500 as its share. The town will also install the fixtures and paint the room."

Mr. Byers stated that it was proposed to put in a doorway at the rear of the building and make the vacant lot a beauty spot. "We have discussed the possibility of aid to the Women's Institute for some time without doing anything about it. The ladies are ready to put in this rest room. We should act at once."

"It is a perfect set-up and the ladies deserve considerable credit for their willingness to shoulder part of the cost," said Mayor Dr. L. W. Dales.

"We have needed such a rest room for years. We are very fortunate to be getting it this way."

Find Stolen Goods In Car On Main St.

Constables Fred Obee and Stewart Martin arrested two men on Main St. early this morning after they spotted a stolen license on the car they were driving. Chief Constable James Leeder, stated that the car when searched, yielded a large number of stolen goods.

The two men gave their addresses as Hamilton, and said their names were Harold H. McKay and George E. Britt.

A car owned by a Toronto man was stolen from Timothy St. on Saturday night, Chief Constable James Leeder stated this week. Another car, stolen from outside of town, was found abandoned on Timothy St. Monday night.

Early Saturday morning, Constables G. W. Curtis and Stewart Martin chased a man dressed in a soldier's uniform on Eagle St. The fugitive threw the officers off his track when he ran between two houses.

Chief Leeder said that the actions of the man aroused the suspicions of the officers and when he saw them approaching he took to his heels.

Tax Town Hall Capacity At Saturday Night Rally

The seating capacity of the Newmarket town hall was taxed to the limit on Saturday evening for the opening meeting of the interdenominational Youth for Christ crusade in North York. Delegations were present from Mount Albert, Queensville, Aurora, Holt and other centres.

There was praise and satisfaction with the musical talent which had been brought from Toronto for the occasion. The musicians consisted of Arthur Gould, radio tenor, the Junior Enslin Band of the Salvation Army, consisting of 25 pieces, and Mrs. Bert Nutcutt (Berta Adams), formerly of Newmarket, soprano. One of the instrumental high-lights was a medley of sacred song on the euphonium by Bandsman Bill Brown of Toronto.

The guest speaker for the evening was Dr. John Tedder, preacher, author and missionary. Dr. Tedder told his experiences in leading men into "vital relationship with Christ" after they had been condemned to death by the state. Dr. Tedder said that he was convinced that "we have no right to give any man up until God has given him up."

The Youth for Christ rallies will continue weekly in Newmarket for the purpose of reaching and challenging young and old with the message of Christ and His ability to work miracles of grace in lives today. The meetings will open at 8 p.m. and last for an hour and a half.

Dunn's Garage Building Sold To Goodman Brothers

Dunn's garage building has been purchased by the Goodman Auto Parts. It was stated this week by Isha Goodman. Tentative plans call for the remodeling of the building into a modern wholesale establishment for automobile supplies.

"We have received some offers from manufacturers who are seeking floor space," said Mr. Goodman. "Although we bought the building with the intention of using it ourselves, if a manufacturer employing a large staff wants the building, we would be inclined to let him have it so that the town would have the benefit of the employment market."

If the building is not let to a manufacturer, it is planned to build a modern machine shop adjoining the present site and to remodel the interior. Mr. Goodman said that there was a possibility that their trade would be extended to include other firms.

BUDGET BRINGS RELIEF

The budget proposals of the minister of finance, J. L. Ilsley, are directed at achieving the maximum relief for the individual taxpayer and encouraging industry through the reduction of excess profits taxes.

Mr. Ilsley sees the personal income tax as continuing to be a very large item in the country's taxation structure. At the present time, approximately one-third of the total tax revenue is provided through personal income tax. A reduction in the personal income tax would therefore have a far reaching effect on government revenues. However, Mr. Ilsley states that "I am impressed with the great and harmful effect which our present high personal income tax is having in discouraging work and initiative in all groups at a time when we need a rapid expansion of employment and a willing mobility of labor. . . I am convinced that a reduction in the personal income tax can make a major contribution to the stimulation of initiative and employment."

Of particular interest to farmers was Mr. Ilsley's statement that he was prepared to "give sympathetic consideration" to a provision in a revised income tax law whereby farmers and fishermen would be taxed on an average income over a period of years.

While not yet prepared to abolish the excess profits tax, Mr. Ilsley has provided interim relief for industry by abolishing the 20 percent refundable portion of the tax and reducing the rate of excess profits to 60 percent. The former excess profit rate of 100 percent was a barrier to industrial expansion, Mr. Ilsley declared. By its removal, it is hoped to encourage industry.

THE COMMON ROUND

By ISABEL INGLIS COLVILLE

BAZAAR

Strange perfumes and odors, brilliant silks, wonderful carpets, barbaric jewelry, and peoples of every nationality in every kind of costume. This to my imagination always constitutes a bazaar. But we have humbler off-shoots of the same name right here in our midst and one of these was sponsored by the social welfare committee of the west branch, Pine Orchard Women's Institute, and took place on a Tuesday afternoon at the home of Mrs. Charles Hunt.

The day seemed in sympathy with the bazaar. After days of rain and chill winds, the sun shone, and Mother Nature clothed herself in raiment of red and gold, while the sight of men, at last able to get on their sodden fields, added a touch of gaiety and thankfulness to the scene. The regular meeting was shortened somewhat. Mrs. A. Penrose presided in the absence of Mrs. F. Williams who was detained at home by illness in the family.

An excellent paper on women's place in the post war world, written by Miss Sadie McQueen, was read by Mrs. Williams. Mrs. Ewart, head of the committee, read a good poem. The roll-call was to name a woman outstanding in social welfare work, and was well responded to. The meeting voted to donate the usual sum for prizes for the temperance contest held in our schools.

Then the large crowd of women present began to move from one well filled booth to another. Everything was pretty or useful — mostly pretty AND useful — and buyers soon found what they wanted.

One booth was devoted to vegetables, cream, horseradish, parsley, roots and bulbs of many kinds. People wandered round armed with cabbages, turnips, citron, potatoes, bags of bulbs, bottles of horseradish, jars of cream and kindred succulent tidbits.

Then there was a booth, backed by a beautiful quilt, which sold readily, aprons large and aprons small, all showing nice handwork and pretty patterns, children's overalls, shoe bags, pot holders, towels, pillow cases, mittens and other things too numerous to mention.

Then the booth with more fancy articles — dolls black and dolls white, cunning little animals, horses, dogs, cats, giraffes, elephants — all found a ready sale. There were hand-painted Christmas cards, silver, gold and beautifully colored wheat and barley seed stems, some pretty dress material, and other things. There was a fish pond, patronized alike by children and grown-ups and holding in its depths many unexpected and strange fish. There were draws on a beautiful thread lace centre piece.

At the conclusion, with tables depleted, everyone sat down, exhibited their purchases and enjoyed the sandwiches, tea and

cakes provided by the hostesses. The sum received was announced and everyone felt it was a very excellent one — \$53 and some odd cents — my memory isn't working well. As our branch was almost bankrupt, this is a fine send-off for the winter and the committee sponsoring it deserve every credit.

GOSPEL ECHOES

By Rev. A. B. Stein, pastor Congregational-Christian church. The central figure in heaven; in the heart of God; in holy scripture; in history; and in the church, is our Lord Jesus Christ. Before His coming the world looked forward to Him; since His coming the world looks back to Him. How has He become thus the focus of the world's attention? Only by virtue of His sacrifice, for His death was voluntarily undertaken for a world's sin. Of old men looked forward to the coming of a Redeemer; now we look back to a finished work of Salvation.

Christ longs to be Lord of our lives. The Holy Spirit was sent to make Him real to us and instruct us in the things of Christ. Today it is our privilege to receive Him as a Saviour, follow Him as a guide, commune with Him as a friend, walk with Him as a companion and rely on Him as a helper in every time of need. Thus it was that the Psalmist was able to say: "The Lord is my Shepherd." And thus we are able to rejoice in His promise: "I will never leave thee nor forsake thee."

Of His love for us we can never be in doubt. Calvary is the highest demonstration of that. Of our love for Him may He ever be assured as we crown Him Lord of our lives and today feel that same healing touch which brought such joy, peace and fullness of life to all to whom he ministered in His life among men, and through 19 centuries of the church's history.

GOSPEL ECHOES

On the editorial page this week appears a new feature, Gospel Echoes. This week, Gospel Echoes is being conducted by Rev. Alexander B. Stein of the Congregational Christian church as president of the ministerial association. Next week, Rev. G. A. Stone, St. Paul's Anglican church, will conduct Gospel Echoes. In following weeks, the other ministers in Newmarket will take turns in alphabetical order at conducting the feature.

The intention behind the presentation of Gospel Echoes is to provide each minister in town with free space in the paper in which to conduct a pocket-sized service. In this way, it is hoped to reach those who are unable to attend Sunday services, for one reason or another, as well as giving wider publicity to the beliefs of the various churches as shown through their services.

At present each minister is being limited to 200 to 250 words as newsprint is still a short commodity. However, it is expected that as the newsprint quotas are enlarged, more space can be devoted to this feature.

BETTER STREET LIGHTING

Newmarket is poorly illuminated at night. The light poles are too far apart for the strength of the light bulbs. In some cases, the foliage from trees completely shadows the light making it worse than useless. Long stretches of Newmarket streets are without any lighting whatever.

There is a direct relation between the illumination of streets and the number of crimes committed on those streets. Where the streets are brightly lit there is less crime than where the streets are poorly lit. The criminal avoids light. His work is done in the shadows.

In recent weeks there has been a series of petty thefts and break-ins. More recently, a car was stolen from where it was parked on a residential street. A few weeks ago, a little girl was assaulted as she walked along Queen St. The assault took place between the railway bridge and the water bridge at a point where the lighting is very poor.

The police cannot be expected to be everywhere at the same time. The members of the police force patrol the streets but they would be superhuman if they were able to penetrate every shadow that lies across their beats. The darkened streets are a ready refuge for criminals.

Every effort should be made to overhaul the street lighting system. Stronger lights should be installed. If that is not feasible, more light standards should be erected. At danger spots such as beside the dump, overhead arc lamps should be strung up. Brighter streets are a sure deterrent to crime.

MOUNT ALBERT CHURCH ANNIVERSARY SERVICES ON NOV. 4

Mrs. Geo. Walker has gone to spend the winter at the home of her son, Maxwell, at Greensville.

Sunday, Nov. 4, will be the date of the anniversary services at the United church. Rev. A. F. Bamford, Zephyr, will be the guest speaker in the morning with Miss Peggy Woods, Markham, as soloist assisting the choir. At 7:30 in the evening, Rev. Gordon Lapp, Keswick, will be the visiting minister and Mrs. Lyons and her choir from Scarborough Bluffs will be in charge of the music. The church school will be held in the afternoon at 2:30 commencing on that Sunday.

On Monday evening, Nov. 5, there will be a concert held in the Community hall. The program will be given by the Victory Entertainers of Toronto. This is also in connection with the anniversary of the United church.

Mr. and Mrs. Robt. Harman, Parry Sound, were at the home of Miss B. Harmon for the weekend.

25 YEARS AGO

From The Era and Express Files Oct. 22, 1920

The senior young people of the Methodist church will hold their meeting on Monday evening.

Mrs. Geo. Brown, president of the St. Paul's W.A., has resigned her post owing to ill health. Mrs. W. J. Fuller is the new president.

C. K. Morrison picked a bowl of raspberries on Thursday and again on Sunday. This is the second crop.

Over 200 attended the Thanksgiving dance in the I.O.O.F. hall. Thanksgiving services were conducted at the Presbyterian church last Sunday by Rev. H. F. Thomas.

The Metropolitan railway had heavy traffic on Saturday, Sunday and Monday as a great many people went away for Thanksgiving.

There was an attempted robbery at the Chinese restaurant on Wednesday evening.

The old Widdfield ice-house burned to the ground about 10:30 p.m. Friday evening.

There was a good market on Saturday, eggs were 68 to 70 cents a dozen and butter was 55 to 68 cents a pound.

A special meeting of the Red Cross will be held at the home of Mrs. Robertson this evening.

The Industrial Home was nearly wiped out by fire on Friday morning. The fire started in the hen house and spread to the pig pen and barn. The loss is estimated at \$15,000.

The young women's Bible class of the Christian church held a picnic at Mrs. Roy Watson's this week.

50 YEARS AGO

From Era and Express Files Oct. 25, 1895

The deer season opens on Friday.

The high school trustees should put a stop to the playing rugby on the high and public school grounds as it is exceedingly rough and dangerous.

All children between eight and 14 years of age must attend school for the full term.

The annual rifle match of the 12th York Rangers will commence on the Lake Shore Ranges today.

A little folks' concert under the auspices of the Guild of the Good Shepherd of St. Paul's church will be held in the town hall Nov. 5.

Chas. Grabber, Simcoe St., picked raspberries from his garden last week.

The members of last year's Tennyson club will meet at J. E. Jackson's on Oct. 29.

A rugby match between the high school and town teams took place on Wednesday afternoon at the fair grounds.

It is a lamentable fact that Main St. is too narrow for the growing business of Newmarket.

A car load of sheep and hogs was shipped from here to Toronto on Monday. The Newmarket hunt club had the best run of the season on Tuesday afternoon. The Scots' football team will play here on Thanksgiving day. Mrs. R. A. Smith has returned home after visiting friends at Battle Creek, Mich. A special evangelistic service is to commence at the Christian church on Tuesday evening. Elder Garbutt will assist the pastor. Jos. Bell returned last Friday from the north-west where he helped take off the harvest. Rev. John P. Holden, Hamilton, one time a teacher at the Separate school, was ordained to the priesthood in St. Mary's Cathedral last Sunday.

DOWN THE CENTRE

As we predicted last issue, the
Boston Bruins, Art Ross and Dit
Clapper, decided to concentrate
on their old guard, and passed
up Joint McComb. Refusing to
join the amateur Olympics in
Boston, the Bruins secured a fair
price for McComb by selling him
to Providence. McComb joined
the Reds over the weekend and
we had a chance to see him be-
fore he left. Joint had little to
say about Quebec City, except
"I was never going better in
practice," and he appears just
about as happy being with Provi-
dence, where the sugar won't be
too bad.

Yank Boyd, former Bruin, is in
charge of Providence, who have
working connections with Bos-
ton, Les Canadiens and Toronto
Leafs, so Joint will have the eyes
of plenty of scouts upon him.
Chuck Scherza, ex-Rangers, Ross
Knipfel, ex-Oshawa Generals,
and Lloyd Roubell, who played
for Stratford juniors against
Newmarket in 1933, are some of
the better known players with
Providence, who have a strong
French-Canadian accent to their
line-up and by play to date need
a bit of bolstering.

Well, at long last, McComb has
started an overdue professional
career. We still expect him to
make the National Hockey
League before he calls it a day.
The best wishes of North York
fans will follow Joint, and we'll
be keeping a weather eye cocked
on Rhode Island.

Herbie Cain is doing well in
practice and is definitely counted
upon for a spot with Boston, al-
though rumor involves a trade
to Canadiens and has him play-
ing on a line with Buddy O'Con-
nor, and Joe Benoit, who is re-
turning to the N.H.L. this year.
Cain, at present, is working out
with the old ace sniper, Bill
Covley, and Terry Reardon,
back from the armed forces, on
what is called the "third line."
Reardon is one of the few pro
players who was wounded during
the war, but, according to re-
ports, he is not finding any
trouble from his injury. A de-
cision on Cain may be expected
shortly, but you can pretty well
depend it will be Boston again.

Bep Guidolin, the speed boy
of last year's Newmarket camp
team is teamed up on an all-
service line, with Don Gallinger
and Bill Shill. Gallinger, like
Guidolin, is 20 and Shill is 22, a
line that gives Boston one "kid
line," so to speak.

Coach Dit Clapper, as we pre-
dicted last spring when he an-
nounced his retirement definite-
ly, has again decided to don the
pads and blades. It is his 19th
year in action, a record that we
believe surpasses any set for pro-
fessional hockey. At 39 he can
still rate well towards the top of
the heap.

So far this year, Mush March,
Cully Dahlstrom, Ray Getliffe
and Johnny McCreedy are the
only ex-pros to announce their
retirement. Getliffe, the shock-
haired Stratford boy, who will
always be remembered by those
who saw the Newmarket Red-
men vs. Stratford series, was
traded to Detroit by Montreal,
but decided to stick to his sport-
ing goods business.

Johnny Callanan, the glamour
boy of the Newmarket camp
teams, has landed a spot with
Kansas City, and is looking very
good in practice and in early
season games. Bobby Thorpe, of
the 1944 Brampton camp team, is
with the Detroit farm team, Om-
aha, and in an exhibition tilt
against St. Louis Flyers suffered a
head injury, which may give
him quite a set-back. At last re-
ports his condition was improv-
ing with a possible early return
to the line-up of the Knights.

Named as general factotum of
the Omaha team is none other
than "the voice" of last year's
Toronto Navy team, Lefty Wil-
son, who was popular with the
Newmarket fans, despite the fact
he continually robbed the Army
snipers. Lefty is spare goalie,
trainer, assistant coach and bus
driver for the Omaha team, who
will travel to quite a few of their
games via highways. Lefty is
versatile if nothing else, and he
is likely to get into the line-up
at any time.

Chuck Shannon is still at New-
market camp and is not likely to
come to terms with Pittsburgh
Hornets. We understand "The
Great Gabbo" is due to stay in
the army for some time, and will
also play mercantile hockey in
Toronto or even senior. Shan-
non could probably be talked
into playing intermediate hockey
at Newmarket and would make
an ideal coach. Don't forget, too,
Capt. Bing Caswell is still
around.

Junior B hockey is rumored
for Newmarket, but there seems
to be a bit of difference of
opinion on that in some quarters.
Unless Newmarket can obtain
help from the camp, we don't
think they are strong enough for
junior B. It's none of our busi-
ness, but a pretty fair inter-
mediate team is close at hand,
with Bob Peters, Fred Dillman
Capt. Caswell on hand for goal,
Myles McInnes about ready to
try his hand at the winter sport
again, Harvey Gihney, Duke
Dennis, Tommy Meyers, Sgt.
Jack Life, Percy Meyers, to
name but a few at hand and
there are doubtless many more.

Scotty Mair has put up a good

it will not be for a year or two
that the O.H.A. will again reach
top figures.

Rev. Woodcock is the new
lessee of the municipally owned
Bradford rink. He is paying
\$210 fee for the arena and under
the terms of the agreement pro-
vides certain hours for the youth
of the village. There were three
tenders with Mr. Woodcock's
being the highest. He has the
experience and ability to do a
good job.

Alliston arena, taken over last
year by the Lions Club and other
citizens as a public enterprise,
showed a net profit of close to
\$400, with several hundred dol-
lars being spent in addition for
improvements. It is an en-
couraging picture for the rink.
So far as we are aware no defi-
nities of Aurora and Newmarket
on their publicly-owned arenas.
The Newmarket rink, in its first
year, undoubtedly must have
shown a fair return. Once the
town financial statements are
out we will be able to get a
picture.

Richmond Hill Lions Club will
spend \$250 this year for minor
hockey and have announced they
will not be responsible for in-
juries to players. Three T.H.L.
teams will be on the menu, and
the money will be spent for
equipment, referees, travelling
expenses, etc. In the T.H.L.
series, each player pays to get
into the rink, since gates are not
a practical solution. This season
the fund is not to be used for
this purpose, the players or their
parents or friends having to
assume the two-bit charge. The
club, wisely enough, wishes its
active participation ended when
the regular T.H.L. series ends,
in place of going into late spring
when the King Clancy series gets
underway. Hill youngsters have
been playing hockey in May in
some years. The Leos are to be
commended for their determina-
tion to see the village kids get
every chance for sport, and their
decisions on the whole show
plenty of good judgment.

Bill Buchanan, former Aurora
hockeyist and softballer, likewise
at Richmond Hill, who is serving
overseas with the R.C.A.F., will
have a brand new baby daughter
awaiting him when he gets back,
little Miss Buchanan being born
last week. "Dad" is expected
home in the not too distant
future.

Jack Williamson, who used to
play a sound defensive game for
Markham juniors and interme-
diates is home again after serv-
ing for three years with the
Canadian navy. Another tar
from Markham, well-known in
the hockey world, Bruce Forgie
is back in civilian life again, and
employed with a Markham dairy.
Bruce is one of three brothers
known for their ice prowess.
This will be his last season in
junior hockey, and it is just
doubtful if he gets under the
wire at that. The age limit is
under 20 years on Oct. 1, not

THE trail has been a long dark way.
At times it seemed we might not see the day,
But now at last the rising sun is ours
And with it comes new challenge to our powers.
Was war naught but a game to win by score
And, having won, to cheer, and strive no more?
If that be all for which our men have died
Then we have lied.

O Canada, most favoured of the lands,
Review whereon our right to victory stands,
Our vow to free and succour those oppressed—
Provide for those who fought and are distressed,
Who risked without reserve all they could give
To break our foes that we might freely live.
If we now stop to haggle at the cost
Then we'll have lost.

If we play square with those who fought our fight
And work with them to shape our world aright,
Postpone our buying things we little need—
Prevent inflation growing through our greed—
Co-operate in peace as well as war
By loaning to our cause a little more...
If we keep faith until the job is done
Then we'll have won.

Jan. 1, and later Dec. 1 as once prevailed.

Bucko McDonald, former big leaguer, who made the grade in politics, threatens to become Canada's first hockey playing M.P., having signed with Hull Volants, who are, of course, strategically located so far as Parliament Hill is concerned.

Bruce Foote, who performed for Aurora juniors back in the late 20's, is stationed at Halifax, N.S., with the artillery. He spent some days in the district not long ago and looks the picture of health. Hockey days are long since over.

Don Sutherland, who performed sensationally in the nets at 17 against Aurora Army in the O.H.A. semi-finals for his native Owen Sound, was signed by the Leafs and then went to the R.C.A.F., is back in the Sound again and slated to play goal for their O.H.A. entry.

Rev. Frank Patterson, who back in the late 20's was a pretty fair sort of all-round athlete at Aurora high school, and competed in the inter-school track meets, will occupy the pulpit at Aurora United church on Sunday, Nov. 4, at 7 p.m. as Aurora United church holds an anniversary service. Mr. Patterson is assistant at Toronto High Park and has a special appeal to young people. We mention this well in advance so you sports fans will have a chance to jot down the date. We know Parson Frank and our good friend Rev. Roy Hicks will be glad to see you.

Norm Alexander, who played some mighty nice baseball for Richmond Hill midgets, won the

golf championship of Richmond Hill high school over the Summit course defeating another good little ball player, Dougie Moore. These Hill boys often caddy at the Summit, and are all pretty handy with masher and niblick. It was the first inter-scholastic golf tournament ever staged in North York. Young Alexander was also recently crowned junior track and field champion at Richmond Hill.

Keith Brown of Markham, who lined up at first base with the York Lions bantam entry and did a nice job, is the junior champion of Markham high. Did you notice the way that young **Bill Mandell**, who excels at hockey with the Hill juniors but also is pretty good at most sports, walked off with the senior championship at Aurora high school with ease. Too bad the weather wasn't better, or that there was no inter-school competition this year. Bill is still only 16, and about two years from now should be ready to meet the best, if he keeps up his present form.

Maple lacrosse team have won two games in their abbreviated fall box series. They defeated Richmond Hill 8-3 at Bolton arena, and on the same floor also took Woodbridge 8-6. **Cal Miller**, formerly of Richmond Hill Young Canadians, heads the club and also is performing on the forward line. **Stan Foster**, a newcomer to the game, is the team's ace sniper, and is said to be good enough right now for senior company. A few of the teams have had limited experience, but here is the roster, which next year will probably seek O.L.A. intermediate rating: goal, P. Rumble; def., B. Julian, T. Armitage; centre, S. Foster; wings, B. Jones, C. Miller; rover, G. Orr; subs., J. Denby, A. Orr, H. Keffer, J. Watson, D. Keffer.

J. Witherspoon, B. Miller, H. Hopper and G. Foster. The Hill boys trotted out, Alf Stong, who was the top-flight netminder in the tri-county league as well as a softballer of note, and Alf is as good as ever. **Harold Weese** was another veteran for the Hill, while Billy Neal and Herb Rose, of the younger fry, Bill Bowen, Rose-lawn softball hurler, and the veterans, Huck Young and C. Mabley, were others to see action.

Dempsey Armstrong, another old Hill player, Son Rowntree, Bert Smithson, formerly of Weston and Montreal Maroons, and Red Aiken were some of the players performing with Woodbridge. The Maple crowd are deserving of a big hand for their enterprise. The present sporting efforts of that small community, plus their plans for the future, puts to shame a good many larger places in North York.

Bob Dales, now out of the R.C.A.F. and finishing his career at the University of Toronto, has started off at the pole vault and high jump just about where he left off. He had little difficulty taking honors in the interfaculty track meet at Varsity. Tomorrow he will be in action with coach Hec Phillips Toronto team at Molson stadium in Montreal, where the intercollegiate track and field meet is scheduled to resume. There are few better pole vaulters in Canada today than Bob. In 1938, it will be recalled, the Newmarket boy set a mark of 11'3" for North York interschool competition which present day schoolboys are not even coming close to.

Inquiries have been made by neighboring towns and prospective players to this corner as to the extent minor league hockey will be played through the district. We think it is time somebody took to organizing the inter-town juvenile and midget series, so the necessary plans can be made. Good fast juvenile hockey is better than poor junior C hockey, which is the way we figure most clubs in these parts, except Richmond Hill and possibly Markham, will be. Juvenile and midget hockey, presented as double-header bills, will draw better than unequal competition in junior C. We don't need to mention what a losing team draws in Aurora or Newmarket. There just isn't anything to talk about. Look at the natural rivalry that abounds with teams already to go and all homebrews too. Sutton, Newmarket, Pickering College, Bradford, St. Andrew's College, Richmond Hill, Schomberg, Bolton, Woodbridge, Unionville, Stouffville, Markham, Milliken and other places we have left out. Why—we have our own minor league exclusive of the Ontario circuit and the T.H.L. if we only go after it. We'll be glad to publish any comments you may have on the subject, but bear in mind the season is just around the corner, and now's the time to start cooking.

EILEEN WALKER HAS LOVELY WEDDING

A pretty wedding was solemnized in Trinity United church, Newmarket, on Oct. 12, when Eileen Frances, daughter of Mr. and Mrs. James B. Walker, Newmarket, became the bride of FO Donald Wallace Younger of the R.C.A.F., son of Mr. and Mrs. Roger Younger, Toronto. Rev. Henry Cotton performed the ceremony. Robt. B. Watson was at the organ. The church was decorated with pom-pom mums.

Given in marriage by her father, the bride looked lovely in a gown with white satin bodice and full net skirt, pearl trim headress from which fell a floor-length veil, and carrying a bouquet of red roses. She wore a double-strand of pearls and the groom's gift, a wrist watch.

Two sisters of the bride attended her. Miss Audrey Walker, as maid-of-honor wore a gown of mauve crepe with matching headress with shoulder-length veil and carried a multi-colored nosegay and Miss Vera Walker, as bridesmaid, in a fuchsia crepe gown with matching headress with shoulder-length veil and a multi-colored nosegay.

FO Norley Jennings of the R.C.A.F., Toronto, was best man and the ushers were George Billingham, sea cadet, Toronto, and Robert Walker, brother of the bride, air cadet.

At the reception held at Middlebrook's Walnut Grove, the bride's mother received in a two-piece crepe dress of dusky rose with black accessories with rose feather trim, assisted by the groom's mother in powder blue crepe with black accessories. Following the wedding supper, two pipers, friends of the groom, and members of the 48th Highlanders, led a grand march.

For travelling the bride donned a two-piece fuchsia crepe dress with black accessories and powder blue coat. Her corsage was pale yellow roses. They will visit Buffalo, N.Y., and different points in Pennsylvania. On their return they will reside in Toronto.

Visitors were present from Toronto, Barrie and Oakville.

MAGISTRATE'S COURT

Six Months Term Given On Radio Theft Charge

William Cooper, Jackson's Point, pleaded guilty to a charge of failing to have his name and address painted on his truck and was fined \$2 and costs in magistrate's court here Friday. Accused said he did not know of the requirement until after charged.

Magistrate W. E. McIlveen dismissed a charge of car theft against Herbert McCullough, Newmarket, on the ground that the evidence was insufficient to convict him. William Jordan, who lives north of Newmarket, said that he had allowed accused to take his car to his home but accused had driven it to another place.

Pte. J. Armstrong, Camp Borden, was remanded one week for judgment on a charge of having forged a cheque for \$18.58 on Oct. 6. Accused in the meantime is to try and make restitution. According to the evidence of County Constable Ronald Watt, the officer was told by Wm. Smith, Newmarket North, that accused had gone through the latter's mail and taken a cheque made out to Mrs. Dorothy Smith. Accused had cashed the cheque in a local book store, the officer said. The name "Dot Smith" had been signed on the back of the cheque.

"On Oct. 12, I went to Camp Borden and questioned accused," stated the officer. "He readily admitted having cashed the cheque and said that he would like to make restitution but had no money except bonds which were in Ottawa." The officer said that accused had no previous record. Accused's superior officer said Armstrong had a good record in the army and that he was badly needed in camp.

Charles Alvin Hurst, Keswick, who pleaded guilty last week to a charge of theft of a car radio from Peter Marks, R.R. 2, was sentenced to six months. Crown Attorney Arleigh Armstrong stated that accused had a record and is at present on parole from Burwash where he had been sentenced to 24 months less one day for assisting prisoners to escape jail. Previous to that sentence, he had been given a term of two months on a charge of car theft.

(Oct. 18) Pleading guilty to each of five charges of breaking into and theft from five summer cottages on the Hedge Road, Leo Healey, Toronto, was sentenced to six months definite and six months indefinite by Magistrate W. E. McIlveen in magistrate's court here Friday.

The thefts occurred on and about September 20. Over \$400 worth of stolen goods from the cottages was recovered by Detective Wm. Martindale, Acting Detective Allan Wallace and Constable Charles McIlvene of the York County force. The officers were highly recommended for the recovery of the stolen goods and the subsequent arrest by Magistrate McIlveen.

Wife of the accused entered the witness box to plead on behalf of her husband who is a first offender. "Taking everything into consideration, I would ordinarily have given you a suspended sentence," Magistrate McIlveen told accused. "However, the robbery of summer cottages must stop. I am making an example of you." Age of accused was said to be 19. On his behalf it was stated that he had been out of work when the thefts took place.

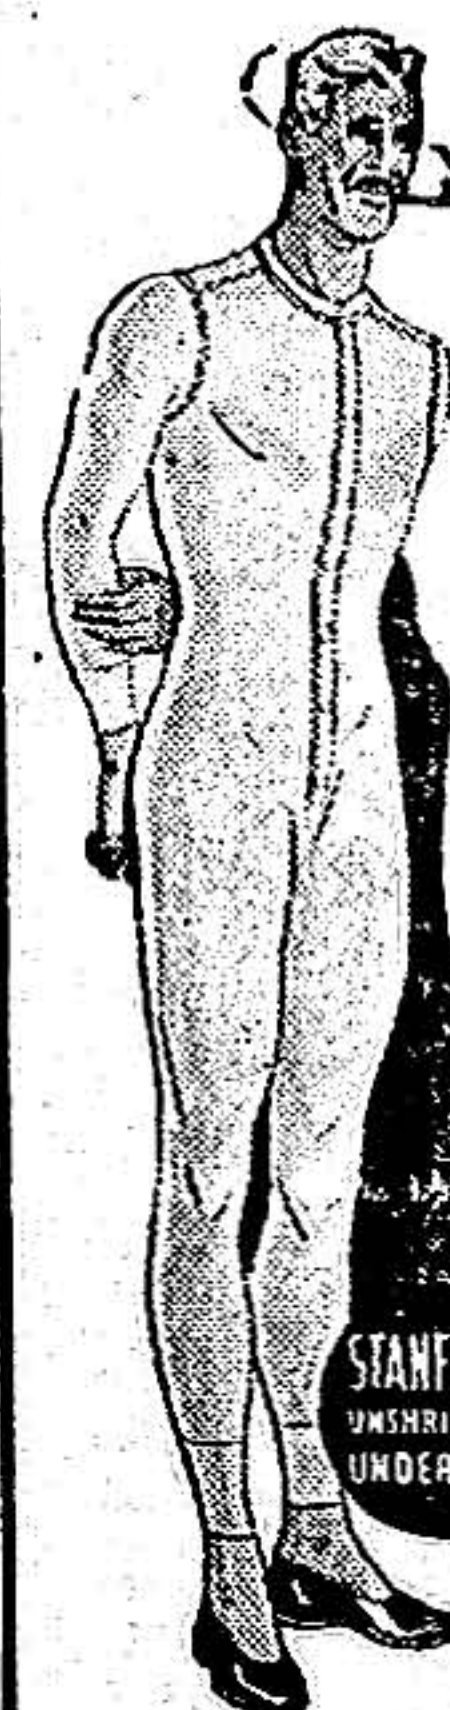

Constable William Hill, Sutton, stated that he had been called to one of the cottages that had been robbed and that he had passed on information concerning the robbery to York County police headquarters. Detective Martindale said that as a result of information received, he had picked up accused in Toronto on September 28. At the time of accused's arrest, he had denied knowledge of the thefts, the officer said. "I searched his home and found a number of the stolen articles," he continued.

"Accused then went out with me and we located most of the other missing articles in another house hidden under the firewood. Accused was most cooperative in helping us locate the stolen articles."

A juvenile was remanded one week for sentence after pleading

guilty to the theft of a car radio from Peter Marks, R.R. 2. The charge was laid by County Constable Ronald Watt. Constable Watt testified that he was told of the theft of the radio on the afternoon of October 7 and that he had arrested accused near Jersey River early the following morning.

In connection with the same case, a second juvenile not guilty to the charge bought the radio to have been stolen. was dismissed after had said that he had a radio from first accused made at 1 a marsh but had not been stolen.

A Message TO FARMERS from a Farmer

H. H. Hannam is President and Managing Director of the Canadian Federation of Agriculture. In a message addressed to farmers, Mr. Hannam says:

"The farmer who is wise will look ahead and plan carefully.

"And in these years when prices and returns are more satisfactory than they have been, when labor is scarce, when farm machinery is restricted, when building materials are not readily available, a good course to follow would be that of putting a substantial share of the year's earnings into sound securities such as Victory Bonds. These reserves will not only provide a measure of insurance against difficulties in less favorable years, but at such time when supplies are favorable and costs will probably be lower, their purchasing power will be greater and return from them correspondingly increased.

"We believe this is good planning from the farmer's standpoint. At the same time, it is the very best of planning from the standpoint of the Nation."

FARMERS CAN BUY VICTORY BONDS on convenient deferred payments THROUGH ANY BANK

... just sign a short form letter which Victory Loan Salesmen carry (banks have copies) ordering the bank to buy Victory Bonds for you. Pay 5% when ordering and the balance at any time during the next 12 months. The interest the bonds earn pays the interest on the bank loan.

GET BEHIND LOAN, COUNCIL DECLARES

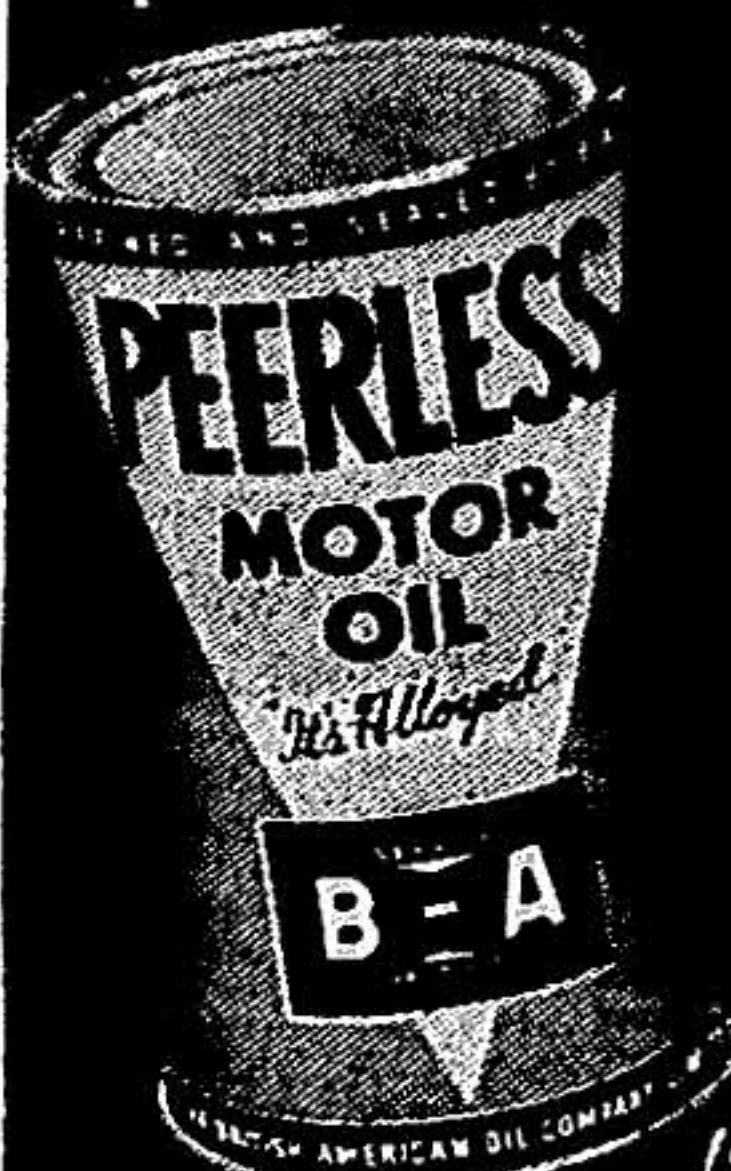

The regular monthly meeting of the East Gwillimbury council was held at Sharon Oct. 6. The members of the council were all present. R. L. Smith was clerk in place of J. L. Smith who was sick. A resolution was passed levying against Queensville the cost of the maintenance and construction of street lights. The York Plowman's Association was granted \$25 for prize money.

The council expressed support of the ninth loan with the following message: "The township council of East Gwillimbury is in support of the Ninth Victory Loan and is asking each citizen to support it to the best of their ability."

"Now that the war is over, it is more important than ever that we back our country and get behind the victory loan and put it over the top. This loan is needed to bring home those still overseas and to pay the gratuities still unpaid. Let's do our share for this loan."

The following accounts were paid: Joe Jardine, salary, \$90; Joe Jardine, school attendance officer, \$50; Canadian Institute for the Blind, \$312.50; Department of Health, \$7.79; County of York, \$69.75; Mary G. Watson, \$32.50; printing, \$11; sheep claim, \$24; W. H. Crouch, valuator, \$5; J. L. Smith, salary, \$125; L. J. Jarr, relief salary, \$10; Jim the Druggist, \$13.10; Relief accounts: Joe Jardine, \$6; village of Sutton, \$72.72; cash relief, \$114.39; Road accounts: workmen's pay

SCHOMBERG Calf Club Feature OF SCHOMBERG FAIR

A feature of Schomberg fair was the work of the boys' calf club when 11 of the 12 members exhibited the calves which they had cared for all summer. Parents, and friends of the boys crowded the ringside as ten of the lads paraded their Holstein calves before the judge, Bruce Beer of Brampton. The other boy, Jim Sheardown, showed a Jersey which he substituted for his original which was burned when his father's barn was destroyed.

Jack Brydon, Lloydtown, showed the high scoring calf and Douglas Marchant, Schomberg, R. R. 2, was first for the art of showmanship. On the all-round score including calves, showmanship, judging, examination, care of calves, monthly reports, attendance and interest at meetings, Don Marchant, Schomberg, had a total of 898 out of a total of 1,000 marks. He was followed closely by his brother, Douglas, with 891.

The others, in order of standing were, all from Schomberg with one exception. Doug Brown, Glenn Atkinson, Keith McCutcheon, Blake Coulter, Norman Hamilton, Bob Hamilton, Jim Sheardown, Jack Brydon, Glen Hulse.

These boys will be entertained at a luncheon in Toronto about the middle of November by the Downtown Kiwanis club which gives the two highest boys over 16 years of age scholarships to attend the short course at the O.A.C. during Christmas week. These will be presented to Doug Marchant and Glenn Atkinson at the luncheon. The club had a record of 100 percent attendance at all meetings except the last when one member was missing.

SHUR-GAIN 13% FATTENING MASH

As more and more poultry are marketed, the importance of proper finish becomes more apparent. A well-finished bird is the only one that sells profitably, especially on a well-stocked market. It simply doesn't pay you to market unfinished birds, and the little extra labor involved in finishing is more than repaid in the extra profits from well-finished birds.

Your Grade A Poultry, pay a premium not only on their body weight, but also on the easily obtained finish. Two weeks crate feeding on SHUR-GAIN 13 per cent Fattening Mash will put firm, mellow finish quickly and economically on market poultry, and turn culls into cash!

which will be held in the Community hall Oct. 31. There will be prizes for those in costume from the wee tots to the grown-ups. Parents are asked as usual to bring along lunch for the kiddies.

Mrs. Sarah Cain visited relatives in Newmarket last week. Mr. and Mrs. Roy Carr visited Mrs. Vida Pegg, Keswick, on Friday.

The Gheer club will meet on Saturday evening at 8 p.m. at the home of Mrs. Walter Rate. Mrs. Boorman, Newmarket, will be the guest speaker. All are asked to be on time.

Everyone has been asking for the last month when the Toronto-Mount Albert bus is going to start running. It is hoped it will be next Monday.

The National Clothing Collection has been extended to the end of October as the need is so urgent and many have not yet been able to give in their donations, so there is still another week to bring them to the post office.

Hartman church had a fine anniversary service on Sunday with Rev. H. D. McCormack, Unionville, as the guest speaker and Mount Albert choir in charge of the musical part of the service. Monday evening there was a sacred concert by the Baker Hill double quartet under Mrs. Jas. Oldham and a flannel-graph illustrated talk by Mrs. D. Ratcliffe which was thoroughly enjoyed. After this a nice lunch and a social half-hour brought to a close another successful anniversary in Hartman church.

Notice is hereby given that I have complied with section 8 of The Voters' Lists Act and that I have posted up at my office at 55 Main Street, Newmarket, on the twenty-fifth day of October, 1945, the list of all persons entitled to vote in the said Municipality at municipal elections and that such lists remain there for inspection.

I hereby call upon all voters to take immediate proceedings to have errors or omissions corrected according to law, the last day of appeal being the fifteenth day of November, A.D., 1945.

Dated at Newmarket this twenty-fifth day of October, A.D., 1945.

Wesley Brooks, Clerk of the Town of Newmarket.

Mrs. Jas. Cattell Dies In Aurora In 82nd Year

Mrs. Catherine Cattell, widow of the late James Cattell, died on Sunday at the residence of her daughter, Mrs. Charles Milne. Mrs. Cattell had been in ill health for some months. She resided in Aurora for over 30 years.

In her 82nd year, Mrs. Cattell was the former Catherine Wilson and was born in North Gwillimbury township. She resided near Keswick before moving to Aurora. Mr. Cattell predeceased her about three years ago. She was a member of Aurora Baptist church. The funeral service was held at her daughter's residence with Rev. A. R. Park in charge. Interment was at Aurora cemetery. Surviving are four sons, Egbert, Everett, Melburn and Preston, all of Toronto, and one daughter, Mrs. Milne (Verna), Aurora.

OAK RIDGES LADY DIES AFTER BRIEF ILLNESS

Funeral services were held at the late residence, Oak Ridges, for Mrs. Cosimo LoPatriello, well-known district lady who died after a brief illness on Saturday.

Mrs. LoPatriello, the former Catherine McRae, was born 49 years ago in Belfast, Ireland, and came to Canada in her teens. Twenty-two years ago she married and resided in Toronto before coming to Oak Ridges eight years ago. She was a devoted mother and highly respected in the district.

Rev. Roy Hicks was in charge of the funeral service. Interment was at Aurora cemetery. She is survived by her husband and nine children, Mrs. George Wright (Annette), Mrs. P. Fajka (Phyllis), Mrs. F. Bernardi (Marie), Toronto, Dominic, of York Mills, Pte. Bernard LoPatriello, Barrie, camp, and Cosimo, John, Lillian and Nicholas at home.

Public School Board Plans For New School

Members of the Aurora public school board conferred with a firm of Toronto architects on Saturday and saw sketches and models of some of the latest and most modern ideas in school construction. It is understood the board will see other plans and will visit certain schools in the province to get ideas for the proposed new school in the near future.

This week board members planned to confer with officials of the department of education to see if permission could be obtained to build a new school, to get ideas and suggestions on cost and construction, and to discuss what financial assistance might be forthcoming from the department or government.

Yorks Have Social Time Following Fake Battle

The Queen's York Rangers regiment enjoyed a weekend of heavy training and diversified amusement with about 150 officers and men present. The county reservists were under the command of Lieut.-Col. C. H. Reeve, E.D., and Capt. William Hunt directed the training schemes.

C Company from North York were the defending force in Saturday afternoon's scheme, which started at Gormley and extended north to Vondorf. The North Yorkers, under the command of Capt. Tom Hopkins, and Lieuts. Delroy Babcock and Arnold Miller, and in familiar terrain, put on a splendid show against the heavier numbers from Toronto and Weston. Reece and with-drawals were cleverly done and smoke screens, mortars and rifles were brought into play. Major Dick Mitchell's attackers used carriers and trucks, along with the six pounder, mortars and Bren guns in attack. Lieut. Gladstone Lloyd had the unit's signposts busy reporting to headquarters on the developments.

At six o'clock, the attackers and defenders enjoyed a hot meal of baked ham, potatoes, cabbage, deep apple pie and tea at the Aurora Armory, and then settled down to enjoy a social evening to which their wives, lady friends, returned men and military personnel from the district were invited. A floor show, featuring Jimmy Good, of Dumfries fame, comedian Ernie Bruce, dancer Hazel Rottler, the Melvin Sisters in songs, Ray Calder at the piano, and magician Rod Wright was presented. Dancing followed, with a Schomberg orchestra providing music. Among those present for the occasion were Warden Fred Lundy, Newmarket, Deputy-Reeve C. E. Sparks, Aurora, and Major N. F. Johnson, formerly with the unit. Three former members of C Company, back from overseas, noted in the crowd were LAC Bill Ground, Tpr. Bob Stephens and Pte. Claude Kirbyson.

Following the close of social activities guards were posted, and the officers and men bedded down for the night on the armory floor. Breakfast brought porridge, scrambled eggs, jam and coffee, and the previous day's scheme was resumed at Vondorf, proceeding north into Whitechurch township. Major Earl Bales was in command of Sunday's scheme. Both attackers and defenders used all their training to full advantage and the scheme was one of the most successful in the history of the unit.

Fire Destroys Crops, Barns On Farm In Whitechurch

Fire of an unknown origin destroyed the barn, sheds and harvested crops of Garfield Thompson, 5th concession, Whitechurch, on Sunday afternoon, causing a loss of about \$7,000.

The fire was not discovered until it had gained considerable headway, and two pigs, most of the stock and some of the implements were destroyed before they could be removed.

The Aurora fire brigade was summoned, but the call came too late to save the barn or out-buildings. The brigade prevented the conflagration from spreading to the house, and was on the job until all danger was removed.

OFFICERS INSTALLED IN TWO LOCAL LODGES

Guests were present from Barrie, Sutton and Newmarket when Aurora Oddfellows Lodge, No. 148, and Elma Rebekah Lodge, No. 146, held a joint installation of officers. LAC Fred Dillman, R.C.A.F., is on extended leave prior to receiving his discharge next month.

Elmer Yake, R.C.N.V.R., has received his discharge after over two years' service with the navy.

Sgt. David Judd, who returned from overseas recently, has received his discharge.

Sgt. Albert Holman, Montreal, Que., spent the weekend at his home.

Pte. Bill Gilkes, Oshawa, a former Aurora boy, has been discharged from the army after being on service for nearly a year.

Sgt. Alfred Bolsby, R.C.A.F., Nova Scotia, spent several days at his home this week.

Sgt. Gordon Hayes, R.C.A.F., Malton, spent the weekend at his home.

LAC Bill Richardson, R.C.A.F., who has been stationed at Edmonton, is visiting his parents, Mr. and Mrs. Dalton Richardson.

Cpl. Douglas Egan, R.C.A.F., Deseronto, spent the weekend at his home.

L-Cpl. Allan Stephenson, Petawawa camp, spent the weekend with his parents, Mr. and Mrs. Lavergne Stephenson.

Earl Simmerman and Charlie Lawson are among Aurora ex-servicemen who are taking a rehabilitation course in Toronto.

Fit-Sgt. Douglas Knowles, R.C.A.F., Trenton, spent the weekend at his home.

Pte. Dawson Brown, Moncton, N.B., son of Mr. and Mrs. R. Brown, has been promoted to the rank of lance-corporal.

Cpl. Tom Raeside, who recently returned from overseas, has received his discharge.

Cpl. Frank Foster, who has been stationed at the Aurora R.C.O.C. depot for some months, has been transferred to Toronto.

GIVES MASONIC HISTORY

Ex. Comp. Major W. H. Taylor, veteran Aurora Mason and past principal of the Aurora Masonic chapter, gave an interesting address to the members of the chapter last week, outlining 80 years of masonic history in Aurora. He related many experiences and anecdotes through the years. He also dealt with business and industrial changes in Aurora.

Depot Will Raise Ninth Victory Loan Flag

No. 2 Return Stores Depot, Aurora, was showing the way to the town of Aurora and to many military centres in M.D. 2 at press time in the Ninth Victory Loan as sales soared beyond expectation. An objective of \$14,300 was set for the plant, and already over \$30,000 has been subscribed, and the canvass is not complete for military personnel.

The committee in charge consists of Bob Curry, chairman, Q.M.S. Ambrose Cotton, Bob Dobson, S.-Sgt. Hillier, C.W.A.C., Lieut. Barber, C.W.A.C., and Capt. Arnold. The Depot has a proud record over the various loans, and in the present campaign is determined to make its best showing. Either late this week, or early next week, an official raising of the Ninth Victory Loan Flag will be held.

Sportsmen Will Hunt Pheasants This Weekend

Friday and Saturday of this week will see district sportsmen as well as a limited number of outsiders, hunt pheasants in Whitechurch and King townships. Of 100 permits for non-residents, 80 were picked up by Monday, according to Clerk John Crawford and he looked forward to one of the biggest groups of hunters in action in some years.

"We could sell twice that many permits to outsiders," Mr. Crawford said. "We let out 375 birds this year, but foxes and skunks have taken a heavy toll among the birds. An open winter would enable hunters to clean out the foxes who are quite numerous. The return of the North York Hunt club to the district is welcomed too."

Accidents have been few and far between in recent years, and officials of both townships are hoping it will be the same this year.

HORSES MAKE FINE SHOWING AT FAIR

Jack Wood, Yonge St. south, scored four firsts and a fifth in the heavy horses classes at Woodbridge fair on Saturday. The competition was exceedingly strong and in his first exhibiting of the year, Mr. Wood scored triumphs over horses which have won top honors all over Ontario.

With 11 in the class, the Wood entries placed first and fifth in the Percherons or Belgian class for four year olds or over. He also took the sweepstakes for the best pair of heavy horses in harness. In the general purpose class, Mr. Wood won the best in the three year old class. Archie Haas of Paris, noted horseman, judged the class.

SCOUTS RAISE OVER \$100 IN APPLE DAY APPEAL

Aurora Boy Scouts raised \$103.20 on Saturday as youthful salesmen vended apples to eager customers. The proceeds will be used for Scout purposes and the sale of apples is the only appeal the boys make throughout the year. Jack Crabtree, Harold Lubbock and George Holloway were the committee in charge.

DOCTORS MEET

York County Medical Association met last Thursday evening in the high school auditorium to hear Dr. Harold D. Storms of the Ontario Workmen's Compensation Board speak on "Some indications for physiotherapy."

Dr. Storms told of the rehabilitation work of the board following accidents and said Ontario had the most advanced system in the world in this field. Personnel were being trained to further the work he stated.

President Dr. J. L. Urquhart was in the chair and entertained the 18 medicos present. The next meeting will be held at York County hospital in December.

MEET IN FINALS

Eddie Chatterley and Eric Blibrough will meet in the golf finals for the Charles Dawson Memorial trophy. Eric blasted Stew. Henry from his path to the finals, while Chatterley ousted Tommy Spence two up and one to play. This will be the final trophy match of the year.

SCORE IS 24-13

By virtue of a stirring fourth quarter rally, St. Andrew's college firsts kept their gridiron record unbeaten and defeated their ancient rivals, Upper Canada College, 24-12, in Toronto on Saturday. Taylor secured both last period touchdowns, and, in addition, booted two first quarter single points. Middleton primus and Middleton secundus, along with Middleton, played strong games for the college.

VETERAN BUYS BUSINESS

Harold McGinnis, South Porcupine, a returned war veteran, has purchased the cleaning and pressing business on Yonge St. of W. R. McQuade. It is understood Mr. McGinnis will increase the stock of gent's furnishings on hand, as well as adding several other lines. Mr. McQuade will look after the tailoring business.

TEACHER EXPECTED

Word has been received by Principal J. H. Knowles of the Aurora high school that F. O. B. T. O'Brien, a member of the staff who has been overseas with the R.C.A.F., will be able to report for duty on Nov. 5. The vacancy on the staff has been maintained since the school opened this fall.

Back From Overseas

More Aurora and district men arrived home this week on the Louis Pasteur and Ile de France, and are now on leave with their families, happy to be home again.

Pte. John Murphy, Machell Ave., a former employee of the Sisman Shoe Co., arrived home on Sunday. He enlisted with the medical corps in 1943, and trained at Peterborough and Newmarket, arriving overseas late in 1944. He was stationed at a large casualty hospital in England. A brother-in-law, Pte. Gordon Books, returned home several months ago.

Cpl. James Cook, Argyle-Sutherland Highlanders, a brother of Mrs. George Walker, Mrs. Howard Hulme and Mrs. Joseph Smith, enlisted in 1940 and is one of three brothers on active service. He trained at Niagara, Nanaimo, B.C., and Sussex, N.B., then proceeded to Jamaica. Returning to Canada in 1944, the unit proceeded overseas and Cpl. Cook saw action in France, Belgium, Holland and Germany. He was due to proceed to Berlin with a detachment when word came he was to return home.

Tpr. Edward Graham, Spruce St., enlisted in the Canadian Armored Corps in 1941, while employed with the Collis Leather Co. He went overseas that year and saw service as a skilled mechanic. He is a veteran of two wars and has three brothers-in-law on active service.

Tpr. Leonard Rotchell, son of Mr. and Mrs. William Rotchell, Temperance St., was a member of the Irish Regiment (reserve) before joining the 1st Hussars Regiment (C.A.C.) in 1941. After training at Camp Borden he proceeded overseas that same year.

He went into action on D-Day, 1944, but was now recovered. Before enlisting he was employed with W. R. McQuade.

Gnr. Albert Doolittle, son of Mr. and Mrs. Merremus Doolittle, George St., was a member of the Queen's York Rangers (reserve) and was employed with the Collis Leather Co. when he enlisted in 1941. He trained at Brantford, Hamilton, Kingston and Petawawa before going overseas. He was wounded in France late in July, 1944, but returned to duty shortly after and was on the continent until he returned to England in September.

Tpr. Carl Burling, Canadian Armored Corps, enlisted in 1942. He trained at Camp Borden and Debert, N.S., proceeding overseas in 1943. He saw action on the continent. Tpr. Burling returned home a few weeks ago. He was employed with the Collis Leather Co. before enlisting.

Schomberg men who have returned home in recent weeks include Pte. Harold Abbott, a former student at Aurora high school, son of Rev. F. V. Abbott, Pte. H. Leeward, Pte. J. Turner and LAC B. J. Lister. All are in good health.

At Stouffville, a former Aurora boy, Gnr. George Foote, son of Mr. and Mrs. Herbert Foote, has returned home after three years with the artillery.

At Maple, Cfm. Jack Saigeon, R.C.E.M.E., son of the late Carl Saigeon, and well-known throughout North York, has returned following nearly three years overseas.

W.C.T.U. NEWS
WOMEN SMOKERS
By LEONORA STARR
Press Sec. Newmarket W.C.T.U.
Taken from the book, A Cigarette As A Physician Sees It, by Daniel H. Kress, M.D., neurologist, Washington Sanitarium and Hospital, Washington, D.C.:
"Some women are fond of declaring that they have just as much right to smoke as the men. In view of the damage that tobacco does to men we very much doubt, speaking from the strictly moral viewpoint, if even they have a right to smoke and we know that tobacco does much more injury to the race when its women smoke than when only the men indulge."

Since the World War the girls and women of Canada and America have gone in for tobacco at an alarming rate. A great proportion of high school and college girls are tobacco addicts and the women of "society" have taken to the cigarette almost en masse. In restaurants, hotels and observation cars, it used to be a source of comment to see women puffing at a cigarette but it has become so commonplace now that it goes practically unnoticed. If the increase keeps on at present rates, it will not be long until there will be as many women smokers as men smokers. Because of their more delicate nervous mechanism, women become more abject slaves to cigarettes than do men. The nervous system of a woman, being more highly organized than that of a man, is more easily damaged by the use of this narcotic. Dr. Hugh S. Cumming, former surgeon-general of the United States Public Health Service, recognized this. He has declared:

"The cigarette habit indulged in to excess by women tends to cause nervousness and insomnia. If women generally contract the habit, as reports now indicate they are doing, the entire nation will suffer. The physical tone of the whole nation will be lowered. The habit harms a woman more than it does a man. The woman's nervous system is more highly organized than the man's. The reaction is, therefore, more intense. It may ruin her complexion, causing her to become gradually ashen. Propaganda urging that tobacco be used as a substitute for food is not in the interest of public health, and if practised widely by young people will be positively harmful."

Dr. Samuel A. Brown, former dean of Bellevue hospital, New York, says also that smoking is much more injurious to women than to men, adding: "Women smoke nervously. They cannot smoke moderately. Their nervous condition develops anaemia and other ills. From the standpoint of health, cigarette smoking among women is very objectionable and on the other hand, it is a let down of moral standards. Among growing girls, particularly those developing mentally and physically, the habit is extremely dangerous."

Professor Arnold Leland of Carlsbad, whose expert advice on things medical is sought from all over the world, speaking of the effects of tobacco on women, has declared that he is amazed to

find in the great number of women coming to him, once famous all over Europe for their beauty, that they have in a few short years, because of cigarette smoking, become prematurely old.
Before women began smoking, smoking on a bus was confined to the rear seats. Now women and men smoke anywhere in the bus. When you travelled by train smoking used to be confined to the smoking compartment. Now women and men smoke anywhere on the train. Formerly when you visited a civilian hospital, no smoking was allowed. It is bad enough for women patients to smoke when there are other patients in the same room but when their visitors smoke as well it shows they have no consideration for the other patients in the room. As one writer so aptly puts it, "The use of the cigarette makes the user careless of the rights of others and dulls their finer preceptions. Lady Nicotine makes the cigarette user her slave, drives as she pleases, careless of the user's own health, indifferent to the health of others and heedless of their rights."

KING HOLSTEIN CHAMPION
Glen Valley Pietje Beauty, owned by Eaton Hall Farm, King, was named senior and grand champion at the championship Holstein show held Oct. 10 at Oakville. This famous animal has twice been named All-Canadian, and at Oakville headed what was considered the best quality Holstein show held anywhere in Canada this year.

ATTEND LEAGUE RALLY
Mrs. Capt. Arthur Robinson, Mrs. Roy Kirbyson, home league secretary, Mrs. Edmund Adams and Mrs. Annie Cowan, all home league members, attended a home league rally and welcome service in the Salvation Army Toronto Temple last Wednesday afternoon and evening. At the meeting, Mrs. Col. Archibald Layman was welcomed as the new home league president and Brig. Annie Fairhurst as secretary. Supper was provided by the delegates who came from all points of Ontario. This was followed by a public meeting for ladies.

Helps Check Colds Quickly
You can often check a cold quickly if you follow these instructions. Just as soon as you feel the cold coming on and experience headache, pains in the back or limbs, soreness through the body, take a Paradol tablet, a good big drink of hot lemonade or ginger tea and go to bed.
The Paradol affords almost immediate relief from the pains and aches and helps you to get off to sleep. The dose may be repeated, if necessary, according to the directions. If there is soreness of the throat, gargle with two Paradol tablets dissolved in water. Just try Paradol the next time you have a cold and we believe that you will be well pleased. Paradol does not disappoint.

In Memoriam

Alderson—In loving remembrance of a dear father and grandfather, Thomas Alderson, who passed away Oct. 25, 1940. Just a thought of sweet remembrance.
Just a memory sad and true
Just the love and sweet devotion
Of one who thinks of you.
Sadly missed by Alma, Gar and Donnie.

Alderson—In loving memory of a dear father, Thomas Alderson, who passed away Oct. 25, 1940.
We mourn for him in silence.
No eyes can see us weep,
But many silent tears are shed
While others are asleep.
Lovingly remembered by Mildred, Jim and family.

Boyd—In fond remembrance of our beloved sister, Estella (Lill) Rose Boyd, who departed this life Oct. 23, 1945, also father mother, Mayme and Bert.
One by one they have crossed the portals
One by one they are going home.
We who loved them sadly miss them
As thro' this weary world we roam.
In Newmarket they are sleeping
Where no sound disturbs their peace.
We will join them in the evening
When all our earthly trials cease.
Sadly missed by brother, Lonie, sisters, Mabel and Allie.

Fountain—In loving memory of our dear mother, Mrs. Wilfred Fountain, who passed away Oct. 17, 1943.
No one knows how much we miss you
No one knows the bitter pain
We have suffered, since we lost you
Life has never been the same.
In our hearts your memory lingers,
Sweetly tender, fond and true,
There is not a day, dear mother,
That we do not think of you.
Ever remembered by husband and children, Ethel, Vera and Ross.

Fountain—In loving memory of our dear grandmother, Mrs. W. Fountain, who passed away two years ago Oct. 27, 1943.
You often said we would miss you
Those words were all too true
We lost our best, our dearest friend
Dear Gran, when we lost you.
Ever remembered by grandchildren, Doris, Verne and Lowell.

O'Brien—In loving memory of a dear husband and father, John H. O'Brien, who passed away Oct. 25, 1937.
Not just today but every day
In silence we remember.
Ever remembered by wife and family.

Pickering—In loving memory of my dear brother, Sgt. George Pickering, who was killed in Italy on Oct. 24, 1944.
He had a nature you could not help loving
And a heart that was purer than gold,
And to those who knew him, and loved him
His memory will never grow old.
Always remembered by brother, Bill.

Pickering—In loving memory of my dear brother, Sgt. George Pickering of the Irish Reg't of Canada, who was killed in Italy on Oct. 24, 1944.
Beautiful memories are all we have left
Of one we loved dearly and shall never forget,
His loving smile and happy face
Broken links we can never replace.
Memories we treasure none can steal
Death leaves a heartache no one can heal.
Only those who have lost are able to tell
The pain in our hearts at not saying farewell.
Always remembered by sister, Eileen.

Smith—In loving memory of Mrs. Parker Smith, who passed away Oct. 27, 1941.
Oh, how patient in thy suffering
When no hand could give thee ease.
God, the helper of the helpless,
Saw thy pain and gave thee ease.
Lovingly remembered by husband and family.

Thompson—In loving memory of a dear father and husband, John D. Thompson, who passed away Oct. 24, 1940.
We watched you suffer day by day
And could not help in any way,
But just stood by and watched you pass
Into the Saviour's arms at last.
Ever remembered by wife and family.

Williams—In loving remembrance of William Thomas Williams, (Bill), who passed into rest Oct. 29, 1944.
'Tis on the dead I will not bind my soul to grief;
Death doth hide but not divide,

The funeral service was held at his home, Zephyr, this afternoon. Interment Zephyr cemetery.

Oxoby—Suddenly, as result of accident, on Thursday, Oct. 18, 1945, Maurice Oxoby, son of William and Edith Oxoby of Pefferlaw, Ont., aged 10 years.

The funeral service was held

Thou are but on Christ's other side
Thou are with Christ, and Christ with me;
In Christ united still are we.
Lovingly remembered by his wife, Isabel.

Lloyd—In loving memory of my mother, Mrs. Louise Lloyd, who passed away Oct. 29, 1944.
We cannot clasp your hand
Mother dear
Your face we cannot see,
But let this little token
Tell that we still remember thee.
Ever remembered by Ethel and grandchildren.

Remember!

MOST REASSURING WORD to date on the prospect of atomic energy comes from the new book by David Dietz, **ATOMIC ENERGY AND THE COMING AGE** (McClelland and Stewart). Mr. Dietz is one of the foremost popularizers of science in the world. He is science editor of the Scripps Howard Newspapers, and in 1937 won the Pulitzer Prize in Journalism. In this very recent book he discusses the impact of events since Hiroshima makes a strong plea for the probability of peace in the new era as a result of "energy as abundant as the air, with no reason to fight for oil or coal. . . . with no such thing as the divisor of the world on the basis of the 'have and have not' nations."

WHERE HATFIELD THE RAINMAKER from California received \$50,000.00 from Medicine Hat for making four inches of rain fall in one summer, where Bob Edwards of the "Eye-Opener" inadvertently drove the arbitrators into poverty by downing several too many drinks and forgetting to revoke a mistaken editorial, where women were so scarce that ranchers hung signs of "Wife Wanted" over the door. Robert E. Gard has spiced up a garden of Albertan folklore which is likely to make its name in Canadian literature. His **JOHNNY CHINOOK** (Longmans Green), the new book of "Tall Tales and True" is written by the man chosen to conduct research into the Alberta Folklore and History Project under the sponsorship of the Rockefeller Foundation which we hope will be followed by other provinces.

FOR THE RELIEF OF DISCOMFORT of simple head colds, pour one teaspoon of Sloan's Liniment in a cup of boiling water and hold the nose over the cup. Breathe the steam. This will ease and comfort the stuffiness of nasal membranes. It is one of the many worthwhile uses to which Sloan's can be put in addition to the more generally recognized purpose, the relieving of muscular soreness as a result of strain and bruises, neuralgia from exposure.

PUZZLED ABOUT HOW to get enough butter to serve at the Halloween Party? That restraining "No!" to small people reaching for a generous helping of butter is one of the post-war discomforts to Canadians, used to a lavish supply of dairy products. But there are clever housewives who always seem to have a plentiful supply of butter because they have learned the secret of making one pound of butter at the work of twice the amount. They take 1 tsp. Davis Gelatine, 1 pt. of milk, 1/4 cup of hot water, 1 lb. of butter. Sprinkle gelatine into hot water, dissolve. Cut up butter, place in dish and stand in hot water till soft. Stir in gelatine, salt, then add milk at room temperature. Beat with Dover egg beater till mixed. Harder in cool place. Davis Gelatine is the backbone which contains little or no salt more than quality gelatine for your money.

THE ROOF OVER OUR HEADS is something usually taken for granted. But when the roof starts to leak you have to make a study of roofing materials and find the one most suitable for your needs. This thought was brought to my mind the other day when looking through a booklet entitled "House Tons" put out by Eastern Steel Products Limited, Preston, Toronto and Montreal. "House Tons" describes and pictures many attractive houses roofed with "Rib Roll" galvanized iron. We had not thought much about galvanized iron as a house roofing material, but this booklet shows it to be an ideal roof, and it is attractive in appearance when finished. You can get "Rib Roll" in a choice of colours or use it plain.

ESPECIALLY LOVELY for fine, sensitive skin, Du Barry Contour Cream has a two-fold function. First use a little for cleansing, then use more generously as a tissue cream. Try it for the afternoon rest facial in preparation for a beautiful evening occasion. After thoroughly cleansing face and neck with the Du Barry Contour Cream and Skin Freshener, add a few drops of Du Barry Muscle Oil to a sufficient quantity of the Cream, blend smooth the mixture over the face and neck and allow to remain half an hour. Lie down and relax if possible. This is a de luxe facial which leaves the skin delightfully refreshed.
